

The New York State Veteran's Home St. Albans

is a 120 resident veteran's home located on Linden Blvd in Jamaica, Queens. The residents are not allowed to have their family members visit because of the current COVID-19 conditions in our city. We would like to make a collection to cheer them up for the holidays.

The facility is asking for:

- #2 Pencils
- Colored Pencils
- Electric Pencil Sharpeners
- Puzzle books (Sudoku, Kakuro, Word Searches, Crossword Puzzles, etc...)
- Holiday Decorations (Valentine's Day, New Years, Black History Month, Easter, Passover).

We will be accepting donations until December 18th.

Please bring your donations to the third floor – collection boxes will be left in the hall.

Thank you for your support and for your efforts.
